Welcome to HellermannTyton

HellermannTyton is a leading manufacturer and supplier of products for fastening, fixing, installing, connecting, insulating, protecting and identifying electrical cables and data network infrastructure. Our mission is to provide you with innovative cable management solutions – wherever you need them around the globe.

Getting your world of work back into shape

The Covid-19 pandemic is teaching us that many aspects of our regular daily life just can't be taken for granted. The workplace must be safe and meet guidelines for social distancing and rigorous hygiene. Adjustment and flexible adjustment are the order of the day. Disconnecting, re-routing and re-connecting equipment is a challenge HellermannTyton products will help you master. Many of them are reusable, saving you time and effort with your cable management today and in future. We are **#SafelyTogether**

Safety & hygiene

Staying safe and well is at the top of everybody's list right now. From the hygienic operation of door handles and push buttons, to the installation of cough and sneeze protection shields or the cleaning and tracking of personal protective equipment (PPE), here you can find products that help us all work **#SafelyTogether**.

Signs & marking

Cooperation begins with clear communication. Coloured electrical tape or specialised cloth tapes are often sufficient for cordoning spaces or reusable cable ties for temporarily marking items. When identification needs to be explicit, HellermannTyton's broad identification product portfolio is ideally suited to the flexible marking of equipment to individual requirements.

Cable bundling

Where desks, equipment and machinery need to be moved, it's important to choose cable management solutions with future needs scoped in. Quality products that can be reused, grant you the flexibility to make changes to the wiring organisation efficiently and with the assurance that cables will not become hazards. We also offer cable ties that can be applied easily when wearing gloves.
