HellermannTyton

Cable management solutions for white goods and appliances

Inventive products for a range of routing options

Welcome to HellermannTyton

HellermannTyton is a leading manufacturer and supplier of products for fastening, fixing, installing, connecting, insulating, protecting and identifying electrical cables and data network infrastructure. Our mission is to provide you with innovative cable management solutions – wherever you need them around the globe.

Cable ties and fixings for the electronics industry

HellermannTyton offers an extensive range of fastening and fixing products in premium quality. This sample pack gives you an insight into our wide product variety. Whether for tight spaces or for temporary fastening, we have a solution for every installation scenario. We also manufacture cable routing products designed especially for mounting in holes or on edges.
