Electrical Installation

Innovative solutions for a variety of applications and industries

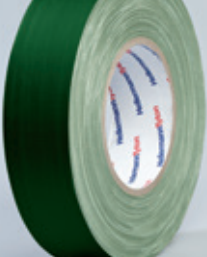

Welcome to HellermannTyton

HellermannTyton is a leading manufacturer and supplier of products for fastening, fixing, installing, connecting, insulating, protecting and identifying electrical cables and data network infrastructure. Our mission is to provide you with innovative cable management solutions – wherever you need them around the globe.

Electrical Installation – Introduction

HellermannTyton offers a wide range of products for installers such as HelaCon wire connectors, HelaTape technical tapes, SpotClip downlight covers, RELICON cast resin and gel systems and the professional cable installation tool Cable Scout+. Try out our products and let us convince you of their quality and functionality. Perform a stretch test between our standard and premium range of vinyl electrical tapes to see the difference in material flexibility. You will be amazed!
