Insulation

Innovative solutions for a variety of applications and industries

SAMPLE PACK: Insulation – Introduction

HellermannTyton offers a premium range of Insulation products including heatshrinkable tubings and shapes. We have many years of experience in providing full system solutions that started 80 years ago with the introduction of chloroprene sleeves, Hellerine lubricant and hand expansion tools for insulating cable terminations. Today we also offer latest technology shrinking machines and tools as well as all the necessary products to protect and insulate low voltage cable joints and terminals.

Heat Shrinkable Tubing

| TYPE | Supplied Ø D min. | Recov. Ø d max. | Wall (WT) | Length (L) | Reel Length | Pack Cont. | Colour | Shrink Ratio | Article-No. |
