Specific Cable Ties and Mounts

Innovative solutions for a variety
of applications and industries

Welcome to HellermannTyton

We are one of the world's leading manufacturers of products for fixing, fastening, identifying, isolating and protecting cables and their connecting components. Our state-of-the-art data network technology and installer solutions complete our product range. Since we have a global footprint we are conveniently located near to you.

Specific Cable Ties and Mounts – Introduction

HellermannTyton offers a premium range of specific cable ties such as releasable cable ties, cable ties without serration, stainless steel cable ties and a lot more. Furthermore we serve our customers with a wide range of cable tie mounts and fixing elements. Many years of experience results in providing full system solutions which meet practically any challenge.
