

The technical drawing illustrates a ring component through three distinct views:

- Front View (Left):** A circular cross-section showing concentric circles representing the inner and outer diameters. The outer diameter is labeled "OD" and the inner diameter is labeled "ID". The center is marked with a crosshair.
- Side View (Middle):** A vertical cross-section showing the thickness of the ring, labeled "T".
- Isometric View (Right):** A three-dimensional perspective view of the ring, showing its circular shape and thickness.
