Drawing Dessin Zeichnung	Part Pièce Solid					

Technical drawing showing the top view of a rectangular metal plate. The dimensions are indicated as $L = 105 \pm 3$ (length) and 44 ± 1 (width). The drawing shows a central rectangular area with rounded corners, flanked by two circular features on each side. The circular features are connected to the central area by a series of parallel lines, suggesting a ribbed or reinforced structure. The overall shape is a rectangle with rounded corners and a central rectangular cutout.

Technical drawing showing a side view of a component assembly. The drawing includes the following dimensions and labels:

- Dimension: 12 ± 0.5
- Label: ϕD (pointing to a circular feature)
- Text: siehe Tabelle / see table
- Label: Komponente B - Adapter schwarz / component B - adapter black
- Label: Komponente A - Kunststoffartikel / component A - plastic part

Technical drawing of a plastic part (Komponente A). The drawing shows a side view of the part with a dimension line indicating a width of 12 ± 0.5 . A circular feature is highlighted with a callout line pointing to the text "siehe Tabelle / see table". The part is labeled "Komponente A - Kunststoffartikel / component A - plastic part".
