

## Fittings til metalslanger

### • SC-FM udvendig gevind

Fitting i forniklet messing, udvendig gevind.

### Egenskaber og fordele

- Todelt fitting
- Kan låses med låsemøtrik
- Giver et tæt og sikkert hold på slangen

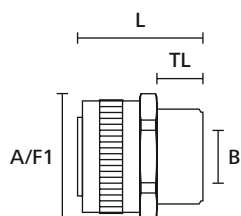

HeliaGuard SC-FM fitting med udv. gevind.

|                         |                         |
|-------------------------|-------------------------|
| <b>MATERIALE</b>        | Forniklet messing (NPB) |
| <b>Driftstemperatur</b> | -100 °C til +300 °C     |
