|                                    |                                                               |
|------------------------------------|---------------------------------------------------------------|
| <b>Product Group</b>               | Cable ties for hose and gaiter                                |
| <b>Product Family</b>              | CTT-Series natural and black                                  |
| <b>Material</b>                    | Polyamide 6.6, heat stabilised (PA66HS)                       |
| <b>Colour</b>                      | Black (BK)                                                    |
| <b>Application Tool</b>            | MK3PNSP2, EVOcut, MK7P, MK10-SB, MK20, EVO7SP, EVO7i, EVO7iSP |
| <b>Bundle Ø max.</b>               | 13.0 mm                                                       |
| <b>Bundle Ø min.</b>               | 1.6 mm                                                        |
| <b>Flammability</b>                | UL 94 V2                                                      |
| <b>Length (L)</b>                  | 100 mm                                                        |
| <b>Min.Tensile Strength</b>        | 89 N                                                          |
| <b>Operating Temperature</b>       | -40 °C to +125 °C                                             |
| <b>Package Content packed in</b>   | pack                                                          |
| <b>Pack Cont.</b>                  | 1000 pcs.                                                     |
| <b>Releasable Closure (Yes/No)</b> | No                                                            |
| <b>Specifications</b>              | ANSI/UL 1565, ANSI/UL 62275, ANSI/UL 746B                     |
| <b>Thickness (T)</b>               | 1.1 mm                                                        |
| <b>Toothing (Serration)</b>        | Inside Serrated                                               |
| <b>UL-File Number</b>              | E64139                                                        |
| <b>Variant</b>                     | Inside Serrated                                               |
| <b>Weight/Unit</b>                 | 0.000285 kg                                                   |
| <b>Width (W)</b>                   | 2.5 mm                                                        |
