

## Technical data sheet

Article number:  
115-00172

**MCTSMGORF300**

|                           |                                                                                |
|---------------------------|--------------------------------------------------------------------------------|
| Product Group             | Releasable Metal Content Tie with Anti-mold and antibacterial effect           |
| Product Family            | MCT-Series                                                                     |
| Material                  | Polyamide 6.6, metal detectable, antimold, antibacterial (PA66MDantibacterial) |
| Colour                    | Light Blue (LTBU)                                                              |
| Application Range         | Indoor Use                                                                     |
| Bundle Ø max.             | 78 mm                                                                          |
| Bundle Ø min.             | 5 mm                                                                           |
| Length (L)                | 303 mm                                                                         |
| Min.Tensile Strength      | 150 N                                                                          |
| Operating Temperature     | -40 °C to +85 °C                                                               |
| Package Content packed in | bag                                                                            |
| Pack Cont.                | 100 pcs.                                                                       |
| Thickness (T)             | 1.3 mm                                                                         |
| Variant                   | Inside Serrated                                                                |
| Width (W)                 | 7.4 mm                                                                         |
