RELK2I

|                             |                                               |
|-----------------------------|-----------------------------------------------|
| Product Group               | Cable ties inside serrated                    |
| Product Family              | RELK-Series up to 200 N loop tensile strength |
| Material                    | Polyamide 6.6 (PA66)                          |
| Colour                      | Natural (NA)                                  |
|                             |                                               |
| Bundle Ø max.               | 81.0 mm                                       |
| Bundle Ø min.               | 5.0 mm                                        |
| Flammability                | UL 94 V2                                      |
| Halogen-free                | Yes                                           |
| Length (L)                  | 300 mm                                        |
| Min.Tensile Strength        | 200 N                                         |
| Operating Temperature       | -40 °C to +85 °C                              |
| Package Content packed in   | bag                                           |
| Pack Cont.                  | 100 pcs.                                      |
| Releasable Closure (Yes/No) | Yes                                           |
| Specifications              | IEC 60092 series                              |
| Thickness (T)               | 1.5 mm                                        |
| Variant                     | Inside Serrated                               |
| Weight/Unit                 | 0.0012 kg                                     |
| Width (W)                   | 4.6 mm                                        |
