Twist-In-FRX 29

Product Group	Self-closing, flame-retardent polyester sleeving
Product Family	Helagaine Twist-In-FRX
Material	Polyester (PET)
Colour	Black with White Identification Yarn (BKIDWH)
Application Method	For optimum cable protection including flexibility, we recommend that a filling level of 75% is not exceeded.
Bundle Ø max.	30 mm
Bundle Ø min.	29 mm
Melting Point	+240 °C
Operating Temperature	-50 °C to +150 °C
Package Content packed in	reel
Pack Cont.	25 m
Specifications	EN 45545-2

RoHS ✓

EN 45545-2
