|                              |                                                       |
|------------------------------|-------------------------------------------------------|
| <b>Product Group</b>         | VarioPlate Cable Entry System                         |
| <b>Product Family</b>        | VarioPlate Insert Grommet Small Double 5-6 mm         |
| <b>Material</b>              | Thermoplastic Elastomer (TPE)                         |
| <b>Colour</b>                | Black (BK)                                            |
| <b>Cable Ø max</b>           | 6.0 mm                                                |
| <b>Cable Ø min</b>           | 5.0 mm                                                |
| <b>Flammability</b>          | UL 94 V0                                              |
| <b>Halogen-free</b>          | Yes                                                   |
| <b>Height (H)</b>            | 20.0 mm                                               |
| <b>IP-Rating</b>             | IP66                                                  |
| <b>Length (L)</b>            | 21.1 mm                                               |
| <b>Operating Temperature</b> | -40 °C to +100 °C                                     |
| <b>Specifications</b>        | csa-C22.2 No. 94.1, csa-C22.2 No. 94.2, UL 50, UL 50E |
